### *New Tax Policies in Place for Michigan*

Before you file your Michigan State Income Tax, please be aware that some changes in filing procedures have been made by the Michigan Department of Treasury. In an effort to reduce spending and because of the popularity of a new program, TeleFile and MI-1040EZ filing systems have been eliminated. You are encouraged to file via e-file, Michigan's newest and most efficient filing system, at [www.MIfastfile.org](http://www.MIfastfile.org). It is estimated that those individuals who file via the Internet will see their return in about two weeks.
